CATHAY PACIFIC/HSBC HONG KONG SEVENS 2017

WELCOME FROM GULLIVERS

Hong Kong is a special place and holds many happy memories for me. It's easy to understand why fans want to come back to the tournament time and time again.

Not only is it three days of utter carnage, the carnival atmosphere is second-to-none and it's a truly international event, with fans all over the world descending on this fascinating city.

The stands are full to bursting and fancy dress is pretty much compulsory if you're in the infamous South Stand! But the event isn't just about the partying – the stadium is the perfect venue to watch fast, skilful and entertaining rugby. For a player, the atmosphere is amazing, and the event gets bigger and better every year.

The city of Hong Kong itself is spectacular – it's a great place to explore. The skyline at night is truly breathtaking and the nightlife just has to be experienced.

I'm proud of my role as a Gullivers' ambassador – there really is no better company to be experiencing the Hong Kong Sevens with. After all, they've been doing it for over 30 years. Join us and experience it for yourself – I hope to see you in the bar under the bright lights of Hong Kong in 2017!

Thank you to Gullivers for a wonderful Sevens experience. My son and I enjoyed every minute of the whirlwind trip, and we were so impressed with the ease with which everything fell into place. The staff in Hong Kong were unfailingly friendly and efficient, and we really appreciated the facilities at the hotel, the fact that we had time to explore a little, and the well-oiled details like airport transfers, shirts, tickets and so on. And then, of course, there was the rugby – a wonderfully packed three days. All in all, the adventure was a ‘bucket list’ item that I can now cross off with excellent memories and great satisfaction.

DESTINATION

HONG KONG

Hong Kong certainly has no shortage of dramatic high-rise glitz and glamour, however remnants of old Hong Kong remain apparent in its many historical buildings as well as its culture. This frenetic, bustling and gloriously madcap city offers something for everyone.

- Make your way to the top of **VICTORIA PEAK** for magnificent views of the harbour, the city and beyond. You can reach the peak either by bus or, more traditionally, by tram which starts from the Lower Peak Tram terminal on Garden Road in Central – a highlight in itself!
- Party in buzzing **LAN KWAI FONG** or **WAN CHAI**.
- Travel to **STANLEY**, on the south coast of Hong Kong Island. It is famous for the village market filled with low price clothing and souvenirs.
- Head to **PO LIN MONASTERY** on **LANTAU ISLAND** and see the big Buddha – a great day out on a clear day – the views from the top of the hill are stunning.
- Watch the nightly laser light show **'A SYMPHONY OF LIGHTS'** from either a harbour cruise or on the waterfront promenade of the Kowloon side of Victoria Harbour.
- Visit **MAN-MO TEMPLE**, one of Hong Kong's most ancient temples and one of the most beautiful. There's also the **TEN THOUSAND BUDDHAS MONASTERY** in Sha Tin and the very popular **WONG TAI SIN TEMPLE** in Kowloon which features the famous nine dragon wall.

TOP TIPS:

- Pottinger Street in Central has a treasure trove of costumes and props on sale if you want to join the thousands of fans in fancy dress!
- Get to stadium as early as you can to secure a seat as seating is unreserved – especially if you want to chance it in the South Stand which is normally full by 11am.
- Use the MTR to get around – it's cheap quick and convenient.

TAILORMAKE YOUR TOUR

We are able to offer a truly unique and global tailor-made service. So wherever you want to go and whatever you want to do when you get there, our team can advise you. We have a number of fantastic recommendations:

ADD A STOPOVER ON THE WAY THERE

Singapore, Kuala Lumpur, Dubai and Bangkok are all popular stopover destinations.

STOP OFF AT THE SINGAPORE SEVENS ON THE WAY BACK

New to the HSBC World Sevens Series in 2016, the Singapore Sevens runs from 15-16 April and means you can carry on partying after a couple of days relaxing in this vibrant city.

ADD ON A BEACH HOLIDAY

Why not spend a few days unwinding on the beach? Phuket and Penang are our most popular spots to do this and are both less than a 4 hour flight from Hong Kong.
